the war in iraq has put the condition of iraqi women firmly on the global agenda for years their lives have been framed by state oppression economic sanctions and three wars now they must play a seminal role in reshaping their country s future for the twenty first century nadjeh al ali challenges the myths and misconceptions which have dominated debates about iraqi women bringing a much needed gender perspective to bear on the central political issue of our time based on life stories and oral histories of iraqi women she traces the history of iraq from post colonial independence to the emergence of a women s movement in the 1950s saddam hussein s early policy of state feminism to the turn towards greater social conservatism triggered by war and sanctions yet the book also shows that far from being passive victims iraqi women have been and continue to be key social and political actors following the invasion al ali analyses the impact of occupation and islamist movements on

women's lives and argues that US-led calls for liberation have led to a greater backlash against Iraqi women.

The typical day interests and familial social and cultural lives of Middle Eastern teens are examined with unprecedented insight.

This indispensable guide to modern Arabic literature in English translation features not only a comprehensive bibliography but also chapters on fiction, drama, poetry, and autobiography, as well as a special chapter on Iraq's Arabic literature by focusing on Najib Mahfouz, one of Arabic literature's luminaries, and on poetry, a major if not the major genre of the region. Altoma assesses the progress made towards a wider reception of Arabic writing throughout the Western world.
